Dear Chair Pingree and Ranking Member Joyce:

I am requesting funding for the Rivers of Steel Heritage Corporations “Preservation of the Carrie Blast Furnaces National Historic Landmark” Community Project Funding request in Fiscal year 2023. The entity receiving the funding is the Rivers of Steel Heritage Corporation located at 623 E. Eighth Avenue Homestead, PA 15120. The purpose of this request is to help a national historic landmark make repairs and improve the functionality of an important cultural and economic center in the region. It would allow the site to become safer and more accessible to visitors. This is a good use of taxpayer funds as it preserves a piece of our nation’s manufacturing history and invests in a site that brings significant economic impact to the region. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

A handwritten signature in black ink that reads "Mike Doyle".
